13.11.2021 – 18.12.2021

This year, the Kunstverein Bielefeld presents its annual editions for members in a quite unusual setting. Thanks to support from the Kunststiftung NRW, for the first time we have been able to organize a separate presentation for the 2021/22 annual editions, staged at an extra venue.

We thus cordially invite you to visit the exhibition and its associated events, to be held at Falkstraße 1A, 33602 Bielefeld. The annual editions will be exhibited at this location, every Saturday from 12:00 to 5:00, from 13.11.2021 to 18.12.2021, or by appointment. The same location will play host to events associated with this year's editions on several thursdays.

We feel sure that this year's annual editions will pique your interest. By purchasing one of the pieces on offer, you will acquire a wonderful work of art by an important up-and-coming artist, while supporting both the artist and the Kunstverein. This year's annual editions are of a characteristically high standard. Much of the work on offer consists of unique pieces, including works by Bady Dalloul, Black Pages, Leda Bourgogne, Lia Perjovschi, Ramaya Tegegne, and Vaclav Pozarek, all artists featured in this year's Kunstverein program. The 2021/22 offer also includes work by Our Polite Society, a studio which does the graphic design work for the Kunstverein. We are likewise excited to present annual editions by Axel Koschier, Cudelice Brazelton IV, Lina Viste Grønli, Melanie Ebenhoch, and Pia Ferm, all artists who are linked to the program of the Kunstverein Bielefeld.
